The following is an examiner's statement of reasons for allowance: Applicants have reduced the scope of their claims in response to the restriction requirement without prejudice to filing divisional applications on the deleted material. The claims concern certain alpha- substituted-N-aryl-2-furanylmethylamines which are useful as pharmaceuticals, e.g. as pain relievers. They are structurally distinct and non-obvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
